UNICRI/606/MM/DM/EDG

Dear Mr. Marin,

First of all allow me to express my sincere gratitude for participating as a speaker in our workshop “New Challenges to Improve Urban Security”, organized by UNICRI within the framework of the Fiera SICUREZZA in Milan, Italy on 18 November 2010.

Your willingness to share your time and expertise was crucial to the success of this event and your presentation was excellent and thoroughly enjoyed by everyone.

I would like to use this opportunity also to reiterate my appreciation for your personal engagement and cooperation in promoting UNICRI’s endeavors in the field of urban security.

Looking forward to continue strengthening our partnership with you in our common efforts to enhance public-private partnerships for urban security worldwide, please accept the assurances of my highest consideration.

Yours sincerely,

Massimiliano Montanari
